The Flock Advantage

The largest public-private safety network.
Our intelligent platform unites communities, businesses, schools, and law enforcement, combining their power to solve and deter crime together.

Technology that's always up-to-date.
Flock's platform ensures you get automatic updates and new features. We keep your tools modern and mission-ready.

Privacy-first. Always Accountable.
We built Flock with privacy at the core. Communities own their data and we include built-in transparency tools. You get safety, with accountability.

Everything connected, no silos.
Flock's open ecosystem unites all your safety tools — LPR, video, audio detection and third-party integrations — on one seamless platform.

Proven at Scale

- 20% of reported crime in the U.S. solved using Flock
- 5,000+ agencies using Flock across 49 states
- 2,000+ missing people reunited with families
- 1 in 3 law enforcement officers uses Flock
