Flock

Flock for the Village of Westbury

{{PC_Hero Tagline P1}}

The Village of Westbury is a compact but active community in Nassau County where local officials face pressure to improve public safety outcomes—from vehicle crimes to quality-of-life issues—with limited municipal resources and staffing.

Flock Safety gives Westbury **affordable, infrastructure-free LPR and vehicle intelligence** that starts delivering investigative leads from day one—helping local law enforcement solve crimes faster without adding headcount or capital expenditure.

The Flock Advantage

The largest public-private safety network.
Our intelligent platform unites communities, businesses, schools, and law enforcement, combining their power to solve and deter crime together.

Technology that's always up-to-date.
Flock's platform ensures you get automatic updates and new features. We keep your tools modern and mission-ready.

Privacy-first. Always Accountable.
We built Flock with privacy at the core. Communities own their data and we include built-in transparency tools. You get safety, with accountability.

Everything connected, no silos.
Flock's open ecosystem unites all your safety tools — LPR, video, audio detection and third-party integrations — on one seamless platform.
